

LOS ANGELES

New to our wildly successful Landmark Collection, we've added three **Los Angeles Landmark Tins**, featuring an array of sights from the sunny "City of Angels" in **White, Milk and Dark Chocolate**.

A stylish blue sports car parked along Rodeo Drive, home to Los Angeles' famous haute couture boutiques and favorite destination of tourists and celebrities alike, dresses our **White Chocolate** tin.

A collage of famous Los Angeles landmarks, including the Griffith Observatory, Walt Disney Concert Hall and the Santa Monica Pier, graces the front of our **Milk Chocolate** tin.

An homage to Los Angeles' place as the "Entertainment Capital of the World," our **Dark Chocolate** tin is film-themed and features an image of a Los Angeles surfer and several other landmarks.

Our Landmark Collection tins are a favorite of tourists and locals alike. These tins are perfect for storing nick nacks, loose change, nuts and bolts, tackle, or just about anything, making them a valuable keepsake long after the delicious gourmet chocolate inside is gone. And more valuable than that, these tins serve visitors as a warm reminder of the sun and fun of Los Angeles.
