

New to our wildly successful Landmark Collection, we've added three **Philadelphia Landmark** Tins that feature the famous sights of the "City of Brotherly Love" in **White, Milk** and **Dark Chocolate**.

A collage of Philadelphia's famous buildings, including the Cira Center and One Liberty Place, graces the front of our **White Chocolate** tin.

The famous Liberty Bell and an American Flag, symbols of the ideals of democracy that were crafted in Philadelphia, is highlighted on the front of our **Milk Chocolate** tin.

A version of Robert Indiana's famous "LOVE" sculpture, which resides in John F. Kennedy Park in Philadelphia, fronts our **Dark Chocolate** tin.

Our Landmark Collection tins are a favorite of tourists and locals alike. These tins are perfect for storing jewelry, loose change, nuts and bolts, tackle, or just about anything, making them a valuable keepsake long after the delicious gourmet chocolate inside is gone. And more valuable than that, the tins will serve visitors as a warm reminder of times spent in "Philly," the birthplace of American Democracy.
