LANDMARK COLLECTION

Celebrate "The Last Frontier" with the **Alaska Landmark Collection** from Bridge Brands Chocolate! These three "postcard" tins are loaded with 3.5 oz of our gourmet chocolate drops, and each feature unique vistas of the state.

The first tin is filled with our **creamy White Chocolate** Drops and features a collage of some of Alaska's many glaciers. The second tin is packed with our **luscious Milk Chocolate** Drops and features a variety of Alaskan wildlife, including a Bald Eagle, Moose, Wolf and Bear. The third tin in the collection is stuffed with our **bold Dark Chocolate** Drops and features a view of Denali National Park along with a Dall Sheep.

These keepsake tins are perfect remembrances of time spent in "The Land of the Midnight Sun." Visitors and locals alike will love to use these tins to store jewelry, loose change, golf tees, tackle and other knick-knacks – long after the delicious chocolate inside has been devoured!
