## LANDMARK COLLECTION

Celebrate "Hotlanta" with the **Atlanta, Georgia Landmark Collection** from Bridge Brands Chocolate! These three "postcard" tins are loaded with 3.5 oz of our gourmet chocolate drops, and each feature unique landmarks and vistas of the city.

The first tin is filled with our **creamy White Chocolate** Drops and features the Olympic Torch from Centennial Olympic Park. The second tin is packed with our **luscious Milk Chocolate** Drops and features the dome of the Georgia State Capitol. The third tin in the collection is stuffed with our **bold Dark Chocolate** Drops and features a collage of Atlanta landmarks and icons, including the City Skyline, Turner Field, and a ripe Georgia Peach.

These keepsake tins are perfect remembrances of time spent in "The Big Peach." Visitors and locals alike will love to use these tins to store jewelry, loose change, golf tees, tackle and other knick-knacks – long after the delicious chocolate inside has been devoured!
