

THE BOOK LOVER'S CHOCOLATE® COLLECTION

Bridge Brands Chocolate's *Book Lover's Chocolate* Collection is our line of gourmet chocolate dedicated to the great combination of chocolate and literature. Each of our three chocolate varieties – *Volume I: Dark Chocolate Espresso*, *Volume II: Dark Chocolate*, and *Volume III: Milk Chocolate* – come in a box (made of recycled paper) that evokes the beautiful elegance of an old-world, antiquarian hardcover book. Keep a box or two of our *Book Lover's Chocolate* handy while you're reading, and let our gourmet chocolate drops deliciously enhance your reading pleasure!

Nine-Box Front Display

Our Book Lover's Single Boxes, available in Milk, Dark and Dark Espresso, are packaged to evoke the warm, leather-bound comfort of old world books. Cuddle up with your favorite tome and open up a box of Book Lover's Chocolate. These bite-sized discs are easy to nibble, even while turning the pages of a real page-turner!

Chocolate Bar

Small yet satisfying, our gourmet Book Lover's Chocolate Bars are great as a midday pick-me-up or an after dinner treat – but we recommend eating one while curled up with a copy of your favorite book.

Nine-Box Side Display

The 9-Box Side display of our Book Lover's Chocolate is available in Milk, Dark, Dark Espresso or Mixed (3 boxes of each flavor). Aligned side-by-side in this easy display case, our Book Lover's Chocolate boxes look just like books on a shelf! Customers will love to peruse their chocolate options, and won't be able to resist taking one (or more) of these tasty treats home to the bibliophile in their family!

Three-Box Gift Set

Our 3-Box Gift Set features one of each flavor (Milk, Dark, and Dark Espresso) of our Book Lover's Chocolate boxes. While the boxes themselves are designed to evoke the old-world feel of a leather bound tome, the gift set itself is similarly constructed to open like a book and reveal the gourmet chocolate treats inside. Makes a great gift for any fan of books, chocolate, or both!
