## LANDMARK COLLECTION

Celebrate "The Magic City" with the **Miami, Florida Landmark Collection** from Bridge Brands Chocolate! These three "postcard" tins are loaded with 3.5 oz of our gourmet chocolate drops, and each feature unique landmarks and vistas of the city.

The first tin is filled with our **creamy White Chocolate** Drops and features one of the famed, brightly painted South Beach Lifeguard Stands. The second tin is packed with our **luscious Milk Chocolate** Drops and features a view of the City Skyline. The third tin in the collection is stuffed with our **bold Dark Chocolate** Drops and features a collage of local images, including The Freedom Tower, Lighthouse, Lifeguard Stand and Beach View.

These keepsake tins are perfect remembrances of time spent in "The MIA." Visitors and locals alike will love to use these tins to store jewelry, loose change, golf tees, tackle and other knick-knacks – long after the delicious chocolate inside has been devoured!
