LANDMARK COLLECTION

Celebrate the “Mill City” with the **Minneapolis, Minnesota Landmark Collection** from Bridge Brands Chocolate! These three “postcard” tins are loaded with 3.5 oz of our gourmet chocolate drops, and each feature unique landmarks and vistas of the city.

The first tin is filled with our **creamy White Chocolate** Drops and features the Hubert H. Humphrey Metrodome in front of the City Skyline. The second tin is packed with our **luscious Milk Chocolate** Drops and features a collage of landmarks, including the Weisman Art Museum, City Hall, Minnehaha Waterfall and Lake Harriet Bandshell, arranged around the Minnesota State Flag. The third tin in the collection is stuffed with our **bold Dark Chocolate** Drops and features the Stone Arch Bridge running towards the Nighttime Skyline.

These keepsake tins are perfect remembrances of time spent in “The City of Lakes.” Visitors and locals alike will love to use these tins to store jewelry, loose change, golf tees, tackle and other knick-knacks – long after the delicious chocolate inside has been devoured!
