LANDMARK COLLECTION

Celebrate dessert in the desert with the **Phoenix, Arizona Landmark Collection** from Bridge Brands Chocolate! These three “postcard” tins are loaded with 3.5 oz of our gourmet chocolate drops, and each feature unique landmarks and vistas of the city.

The first tin is filled with our **creamy White Chocolate** Drops and features the desolate beauty of the Arizona desert. The second tin is packed with our **luscious Milk Chocolate** Drops and features the City Skyline along with a Cactus and River View. The third tin in the collection is stuffed with our **bold Dark Chocolate** Drops and features a beautiful desert view with golf course.

These keepsake tins are perfect remembrances of time spent in “The Valley of the Sun.” Visitors and locals alike will love to use these tins to store jewelry, loose change, golf tees, tackle and other knick-knacks – long after the delicious chocolate inside has been devoured!
