

CHOC-TAIL SIPPER

Add this special chocolate-flavored straw to dark beers, stout ales, or a host of different cocktails for a truly unique sipping experience. Chocolate Martinis, Irish Coffees, Brownie Cognacs – the **Choc-tail Sipper** can act as a distinctive stand-in for chocolate syrup in an existing drink recipe, or as a bold way to create an entirely new concoction! The only limit is your imagination!

Individually packaged, these all-natural straws are perfect for bars, restaurants and liquor stores as a unique and intriguing add-on item.
