Coffee Lover's Delights

We are proud to present chocolate covered espresso beans in five different varieties. Whole espresso beans and regular coffee beans covered in dark chocolate are a traditional favorite. Our Tuxedo Beans are a bold mix of white and dark chocolate smothering espresso beans. Our House Blend Beans are a mix of dark, white, milk and marbled chocolate covering espresso beans. For a difference, try our Espresso Caramels: happy little spheres of caramel with bits of espresso nestled inside, all drenched in dark chocolate coating.

Coffee Lover's Chocolate – Gift Set

These gift sets include three different varieties of our Coffee Lover's Chocolates. Available in an all-milk chocolate pack (30%, 32% and 38%) and a mixed milk and dark pack (38%, 55% and 72%), these gift sets are a wonderful presentation for any coffee and chocolate lover.
