**NEW GOT MILK? CHOCOLATE® PRODUCTS
TO BE LAUNCHED BY BRIDGE BRANDS CHOCOLATE™ AT THE FANCY
FOOD SHOW IN SAN FRANCISCO**

(SAN FRANCISCO, CA) Bridge Brands Chocolate™ <http://www.bridgebrandschocolate.com>, previously known as The San Francisco Chocolate Factory, will be launching five new got milk? chocolate products at the Fancy Food Show in San Francisco.

This year Bridge Brands Chocolate™ will be introducing the **got milk? chocolate straw** for kids in single straws and triple packs, new **got milk? chocolate s'moores**, **got milk? chocolate cocoa mugs**, a **got milk? chocolate cup and straw pack**, and **got milk? chocolate? cookies**.

"Despite a recent surge in the popularity of dark chocolate, milk chocolate still accounts for 80% of chocolate sales worldwide," said Founder and CEO, Mike Litton. "Due to customer demand for quality milk chocolate we have created new got milk? chocolate single and triple straw packs, as well as a hot cocoa mix and cookies. These are perfect items to help increase the sales at the checkout whether placed near the milk aisle or as an impulse item at the register. Kids love them."

The got milk? chocolate products are packaged in bovine inspired tins and packaging that appeals to kids and adults alike. These new items expand the got milk? chocolate line to include fourteen SKUS.

Bridge Brands Chocolate will also be officially launching its new name at the San Francisco Fancy Food Show in January. To commemorate the 9th anniversary of the company and the new name change, a contest will be announced on their website on January 18th. Visit booth #402 or the website www.bridgebrandschocolate.com for more details.
