TESTIMONIALS

But don't take our word for it. The following testimonials are from customers who love our custom tin program!

“Your sales people walked us through the setup so there were no surprises. The chocolate arrived within the expected time and was amazingly well packaged. Our custom label reproduced very well, and the attractive tins are popular in our tasting room.” ~*Teresa Loubet*

“We are very pleased with the quality of our custom made tins. We loved the way our logo was placed to perfection. The team at Bridge Brands did a wonderful job in understanding just what we wanted to convey on our custom tins for advertising. The chocolate that is in our tins is some of the best and goes perfect with our wine. I hear this frequently from my customers. We would highly recommend Bridge Brand Chocolate to any winery that is looking for that special attention grabber for their tasting room.” ~*Angela Garcia, Most Wanted Wine Co.*

“We have been enjoying the Custom Tin with our logo. Initially purchased for our wine club shipment it was such a success we have continued them in the tasting room. They are fun to present to the customers with our Pinot Noir, and even if they are not Pinot fans they remember us. The service has been great. Early last December I discovered that we had run out and were getting extra orders because of the holidays. Steve our rep was able to push his deadlines and we shipped the orders

to arrive before Christmas.” ~*Linda Baker, Handley Cellars*

“Katrina was very helpful in showing me my options of custom printed tins. We are a very small non-profit and what first caught my eye was the manageable minimums and the quick and easy set up for getting our own custom image on the tin. Katrina was most helpful in expediting the order so that it could arrive in time for an important fundraiser. The chocolates are delicious and we promote the tin as reusable and recyclable, an important element for us. We sell them at our admissions desk and also intend to use some as special little gifts at events. The small round tin is a great personal size. I'd highly recommend Bridge Brands for their great chocolate and excellent service.” ~*Terry D Wardwell, Ocean Discovery Shop*

“Working with Bridger Brands to create a custom tin of chocolates for Lodi Wine Country's annual Wine & Chocolate Weekend was flawless. The process was very simple and Jaclyn quickly responded to any questions or concerns that I had. Everything went very smoothly. This was the first time we chose to create a tin of chocolates for event guests. We had great responses and guests really seemed to enjoy pairing the dark chocolate with the delicious Lodi wines!”
