## PEGASUS WHITE CHOCOLATES

If life really is black and white, some of us would choose white every time! Our Pegasus white chocolate drops satisfy the need for pure, simple, happy flavor. The drops melt slowly in your mouth, revealing a light but butter-rich sweetness that will make you wonder why you ever bother with that dark stuff! (Well, we know why but we still love our Pegasus White...) Pegasus is the white, winged horse of Greek mythology and there is a large northern constellation named Pegasus as well.
